

Children in Network

What is Network Church?

Network is a community of God's people working together to see His kingdom come in our spheres of influence.

Our Sunday meetings are lively and informal. We encourage participation, and this often allows us to see more of God as we learn and grow together.

Network people of all ages are encouraged to explore their faith, to be honest with each other, and to try new ways of showing Jesus to non-Christians around us.

Children and young people

The contribution of children and young people is welcome in all areas at Network.

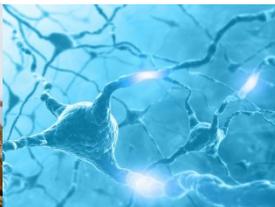

We love it when they join the adults in praying for a person or situation, or take part in covering our big drawing board with their own art.

We very much want children of all ages to feel at home and part of Network, and we welcome their participation. We value their contribution and encourage them to use their gifts.

OPEN

Children in the Sunday service

On the second Sunday of each month ('Story Sunday'), all ages meet together, and on the other Sundays for part of the morning service the children take part in their small group called Rock Club.

For very young children there are toys and a soft play area in the main hall, supervised by a suitable adult or parent, but we are equally happy for them to stay in their seats with their parents.

Please be assured that a bit of disruption doesn't bother us—it's part of being a family!

Children's small group

The children's group, called Rock Club includes various ages, and meets on Sunday mornings during part of the morning service (except for the second Sunday of each month when children and adults all meet together).

For younger children and babies there are toys and a soft play area, usually supervised by parents. Or we are equally happy for them to remain in their seats with their parents.

Want to find out more?

The best way to find out more is to ask questions - mingle after the Sunday service whilst enjoying the delicious coffee, and ask questions of those you chat to.

Do also check our website www.networkchurch.org. You can download our Sunday teaching, find a map showing how to find where we meet at Crabtree Fields Scout HQ, and check out our leadership team and trustees.

Trevor Withers is also available to talk on 01727 858379.
