When God Touches Your Heart

當神觸摸你的心

一切都不再一樣

Pastor Eddie Ma 馬健明牧師

Everything Changes

**“When He talked with us on the road and explained the Scriptures to us, did not our hearts burn within us?” Luke 24:32**

**「他們彼此說：在路上，他和我們說話、給我們講解聖經的時候，我們的心豈不是火熱的嗎？」 路加福音 24:32**

**God does not only want us to understand the truth in our minds. He wants to touch our hearts with His presence.**

**Real life change is not just being convinced in your thinking. It is when your heart meets God (and the Holy Spirit is the media)—when you know you are loved, healed, and made new by Him.**

**神不單要我們「明白」真理，祂更要用祂的同在觸摸我們的心。真正生命的改變，不只是頭腦被說服，而是心被神遇見、被神愛著、被神醫治、被神重新點燃。**

**Life flows from the heart. If the heart is not touched, change is only temporary. But when God touches the heart, life begins to change from the inside.**

**生命的源頭在心裡。心若沒有被神摸著，外面的改變很容易只是短暫的努力；心若被神觸摸，生命就會從裡面開始轉向。**

The two disciples on the road to Emmaus:  
Rebirth of Heart in Christ

以馬忤斯路上的兩個門徒：心重新火熱

**Not just their minds understood—  
their hearts were set on fire.**

不只是他們的頭腦明白了，  
是他們的心火熱了。

**Lydia: The Lord opened her heart**

**呂底亞：主開她的心**

**“The Lord opened her heart to respond to  
Paul’s message.”**

**「主就開導她的心，叫她留心聽保羅所講的話。」**

Zacchaeus: Acceptance leads to change

撒該：被接納的心帶來悔改

**Jesus did not first ask him to repent.  
He did not ask him to repay anyone being cheated, and  
he did not point out his sins.  
He called him by name and went to his home.**

**耶穌沒有先叫他悔改，  
沒有先叫他賠錢，沒有先公開指出他的罪。  
耶穌先呼喚他的名字，進入他的家。**

Faith Is Not Only About the Mind  
不能只停留在左腦運作

- **When mentioning “left-brain” and “right-brain,” I am not making a strict scientific statement, but rather a metaphor.**

「左腦式」與「右腦式」，不是要作絕對的科學分類，而是借用一個比喻。

- **The so-called “left-brain” faith focuses on logic, analysis, concepts, structure, doctrine, and answers. These things are very important. Christianity is not against thinking.**

所謂「左腦式」的信仰，是偏向理性、分析、概念、架構、教義、答案。這些非常重要。基督教不是反智的信仰。

**Jesus said we should love the Lord with all our heart, soul, mind, and strength. Paul also said that our minds should be renewed.**

**耶穌說我們要盡心、盡性、盡意、盡力愛主。保羅也說心意要更新而變化。**

- However, the problem is the church sometimes relies too much on only this way of shaping people.**

**但是問題是，教會有時候太習慣只用這一種方式塑造人。**

- **Because life transformation is not just transmission of information.**

因為生命塑造不只是資訊傳遞。

- **It is an integration of the heart, mind, body, emotions, relationships, memory, identity, and our life with God.**

生命塑造是心、腦、身體、情感、關係、記憶、身份與神同在的整合。

**Because if church...**

**因為教會若...**

- **focuses only on the "correct answer" but lacks "safe relationships"**

只重視「正確答案」，卻缺少「安全關係」

- **values only "biblical knowledge" but lacks "being seen, heard, and accompanied"**

只重視「聖經知識」，卻缺少「被看見、被聆聽、被陪伴」

- **focuses only on “doing the right things” but lacks “returning to joy, peace, and God’s presence,”**  
只重視「做得對」，卻缺少「回到喜樂、回到平安、回到神同在」

**We will then have many people who understand the truth but filled with loneliness in hearts.**

我們就會培養出很多懂道理但心很孤單的人。

I. Truth must enter relationships

I. 真理需要進入關係

II. Maturity requires emotional and  
identity healing

II. 成熟需要處理情感與身份

III. Worship realigns our hearts  
III. 敬拜是心被神重新對齊的地方

**Heart is the source to empower  
changes in life.**

**心的力量，才是改變生命的力量。**

**“Guard your heart, for everything you do flows from it.” (Proverbs 4:23)**

**「你要保守你心，勝過保守一切，  
因為一生的果效是由心發出。」箴言4:23**

**We are changed by what we love  
but not by what we know**

**人不是被資訊改變，人是被所愛的對象改變**

**Human brains are shaped by "who it loves and who brings the joy", than by what it thinks.**

人的腦比起「它想甚麼」，  
更深被「它愛誰、誰帶來喜樂」所改變。
